Marketing

- Produce Highly Targeted Campaigns
- Generate and Route New Leads
- Attribute Greater ROI to Campaigns
- Analyze Performance with Key Metrics

“It is a stretch to say that anything can completely transform and accelerate ROI from Salesforce, but that is exactly what MapAnything does. This tool allows us to visualize our data, making immediately obvious instances and trends which were otherwise hidden within our SFDC data. A must have for our field sales team, as well as our service organizations which deploy technical personnel.”

- **Kevin Leveille**, President, Score Selling, LLC
